#### SCRIBBLER'S NEWSY NOTES

Stafford C. H., Va., Dec. 30th, 1910.  
In consequence of there being a number of cases on the docket, in which Judge Chichester is interested, Gov. Mann has been asked to designate a judge to sit at the ensuing January term of Stafford Circuit court.  
Mr. Jas. Ashby, Jr. is visiting his old home, at Woodburn, during the holidays, but will return to Richmond soon.  
Mr. Robert Musselman came home from Washington Tuesday to attend the funeral of his father, Mr. Jas. W. Musselman. He returned home yesterday.  
Winter has again disappeared. Yesterday was as balmy as spring, but the mud is just awful. Today we have a "norther" with the prospects of another freeze.  
Dr. E. M. Sneed took a trip to Richmond this week to be with his son, Albert, who was operated upon there for appendicitis.  
Mr. and Mrs. Robert S. Barrett, of Alexandria, spent some time in the county this week visiting relatives here.  
Christmas, 1910, is past and gone, with no reports of disturbance anywhere along the line. Soberness and quietude prevailed. Many hearts were made happy by the timely gifts, befitting the season. 'Tis simply the remembrance, that makes the heart go glad, not the value of the gift received. May we have many more such celebrations of the birth of the Christchild.  
Mr. Edgar Paxton, of Baltimore, and Miss Cheever, of Hanover, who have been visiting the family of Mr. E. S. Moore, have returned home.  
Miss Mary R. Waller, of "Wayside," is visiting friends in Washington.  
Mr. and Mrs. A. J. Woodward with their children, spent a portion of the week visiting relatives in Alexandria.  
Mr. "Dimmy" Gallahan spent a good portion of the week in Fredericksburg visiting relatives. "Be a good boy Dimmy."  
Mr. Lewis Gallahan, who has been holding down a dredge on the raging "Potomack" for the last three months, arrived here early in the week to visit his father and mother, Mr. and Mrs. Samuel Gallahan.  
Mr. Jno. S. Martin and Miss Esther W. Bryan left here this week for their respective homes in Gaithersburg, Md., and Richmond, Va., having spent their Christmas with the family of Clerk Bryan.  
Mr. Geo. W. Garrison, of Garriassville, had business at the Clerk's office this week.  
There will be no cases criminal, or at law, tried at the January term of the circuit court unless one or two up by agreement of counsel, as it is not a term for the trial of jury cases, and there is not a criminal case on the docket except where the defendants are fugitives from justice.  
Mr. H. H. Shackelford passed here today on his way to the "Burg," where he is making arrangements to travel for the Smith-Coghlin Shoe Co.

#### BALDHEADED MEN

**Baldness Among Men**  
Early perty doesn't cause baldness, neither does any kind of perty. Some baldheaded men console themselves with the idea that baldness is caused by a superabundance of gray brain matter, and would have the world believe that a baldhead is a sign of great intellect. Such, however, is not the case. Ninety-nine times in one hundred, baldness is caused by dandruff germs which dig down deep into the roots of the hair, destroy its vitality and cause it to fall out.  
All this may come gradually and take time, but as an up-to-date humorist would say "what's time to a dandruff germ?"  
If you have dandruff, the little invisible, persistent devil called dandruff germs are at work. Destroy them at once, or sooner or later they will cause your hair to fall out and you will be compelled to take your place in the baldheaded class.  
In France baldheads are few because men understand how to care for the hair. Parisian Sage is a hair grower and invigorator that is guaranteed by K. N. Goodrick to grow hair if the hair is not already destroyed, to eradicate dandruff, stop itching scalp and falling hair, or money back.  
50 cents for a large bottle at K. N. Goodrick's and druggists everywhere on money back plan.

Mr. H. H. Shackelford passed here today on his way to the "Burg," where he is making arrangements to travel for the Smith-Coghlin Shoe Co.

#### THE COLONIAL BALL

**Danced With Great Success on Thursday Night.**  
The Colonial Ball at the Opera House on Thursday night was one of the prettiest and most enjoyable entertainments of its kind ever given in this city. It was under the management of Mrs. W. Jeffries Cheever, assisted by Mrs. Clarence R. Howard and Mrs. C. O'Connor Goodrick, and was participated in by about 35 couples, including a number of out of town guests. The costumes of the girls dancing were charming, and it is safe to say that the Colonial belles never looked better than those who took their places Thursday night.  
German was led by Mrs. Howard and delightful refreshments, consisting of chicken salad, olives, beaten biscuits and coffee were served at midnight, after which the dance continued until 3 o'clock. Donch's Washington orchestra furnished the music.

#### DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it has a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be defective forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.
